CATALOGUE-2024

With an unmatched brand and product portfolio spread across all critical kids categories, our commitment to offer supreme quality product at best consumer price remains unwavered. Fully equipped with state-of-the-art Operations and Merchandising set-ups, we have made substantial strides into the Kids Market and established Skoodle as a force to reckon with across all Stationery and Toy channels in South East Asia.

As makers of children brands, we ensure products are designed and produced under strictest compliances, equipped with International standards of US regulations and the European Standards (CE) tests. As a member of the prestigious club of Ethical and Socially compliant business practice (SEDEX), ours is a SMETA 4 pillar audited facility. Compliant with BIS standards (ISI), ISO 9000:13000 & a strong Supply Chain Management system, we have a noticeable edge to our market operations against any worthwhile competition.

In partnership with Global manufacturing giants like Nara Global - Thailand & Guangbo - China; licensing partnerships with Disney, Marvel among many others, Skoodle is also self-reliant with its in-house production capabilities for Puzzles, Board games, Ride-Ons, Scooters, Eco-friendly Pencils, Art and School supplies loved by all markets we have entered in a short span of just 5 years.

International brands that eye the Indian shelf space, have put faith in us as their Brand custodian, a feat we feel, is a testimony to our work ethic of transparency, spirit of partnership and sheer hard work. The credit goes to our family of 500 plus committed brand ambassadors on field and factory & our supply and distribution partners across South East Asia who never leave any stone unturned to ensure consumer delight with every product that reaches the end consumer.

We promise you that, this is just the Beginning and the Best is yet to come!

AWARDS

PLANT-A-PENCIL

SKU Code: SK 50101
Size: (180 mm & Ø 7.2 mm each)

Made From Recycled Paper

HOW TO USE PLANT-A-PENCIL ?

STEP-1

Use the pencil till it gets shorter.

STEP-2

Insert the green end of pencil into soil, covering it little more than capsule.

STEP-3

Offer water & sunlight to activate the seed capsule. Germination takes upto 10 days.

STEP-4

Welcome your plant. Nurture your little saplings with love & care.

SOCCER BALL SIZE 5

CARRY THE PRIDE OF MOST POPULAR SOCCER PLAYING NATION !!

Thermo bonded seamless CONSTRUCTION ensures a truer flight of the ball.

Glossy FINISH helps reduce water damage & scuffing.

Superior cross weave BACKING with high rebound foam for superb aerodynamics.

Highest quality CASING ensures softer touch, enhanced grip & more response.

BLADDER has higher air retention allowing less oftener reflation.

DESIGNED for the highest level of playing delivering increased control.

Pro-Certified, COMPLIES with multiple soccer ball regulations.
